

SVC 404 error

Published 8/9/2015 by [Raghav Khunger](#)

While working with .SVC files in my applications I was getting the 404 error:

HTTP Error 404.0 - Not Found

The resource you are looking for has been removed, had its name changed, or is temporarily unavailable.

Here is the solution which I followed to fix the above issue:

Under Control Panel → Programs and Features → Turn Windows Features ON/Off

Select the checkboxes highlighted in the image:
